## Soybean Toasted Hulls

(Product code LQS-SBZ16SP)

**Product description:** Soybean toasted hulls are a nutrient of vegetable origin, which is used in making feed for animals of all categories.

### Chemical parameters

Parameters	Unit	Typical	Guarantee	
Protein (nx6,25)	Dry base (%)	13,0	min. 10,0	(1)
Water	%	11,0	max. 12.0	(1)
Urease activity	pH	0,2	max. 0,3	(1)
Cellulose	%		20-30	(2)

### Heavy metals

Parameter	Unit	Guarantee	
Lead (Pb)	mg/kg	Max. 10	(2)
Cadmium (Cd)	mg/kg	Max. 1	(2)
Mercury (Hg)	mg/kg	Max. 0,1	(2)
Arsenic (As)	mg/kg	Max. 2	(2)

### Microbiological parameters

Salmonella	in 50g	negative	(1)
------------	--------	----------	-----

### Other characteristics:

Color	natural
Smell	neutral
Granulation	0,5 – 2,0 mm

(1) CoA (2) Periodical analysis

### Use of product:

Product intended for further processing, as one of the raw materials in feed industry

### Storage and transport conditions:

To be stored in a cool and dry place, protected from outside impacts.

### Shelf life:

12 months

**Packaging:**

In bulk

**Identity Preserved Program**

The producer's Identity Preserved Program includes strict controls on the supply chain of the soybeans and an appropriate traceability system to ensure that each product is manufactured from NON-GMO soybeans (<0,9).

Variation in specified values and color are possible, depending from the raw material quality (soybean).

The product is not GMP+ certified.

**Liability**

The information contained herein is based on technical data that Liquid Energy Trading Company Swiss SA (later on called LetCo) believes to be reliable and accurate, but disclaims any warrant or guarantee, express or implied. LetCo reserves the right to change information contained herein without prior notice. Any information included herein taken solely or as a whole, does not suggest in any way the product is of satisfactory quality or is adequate for a particular purpose. The purchasing party is not released from the burden of carrying out his own tests and experiments. Because conditions of use of this product are outside our control, LetCo excludes any legal or other liability for the use of this information or any part of it, whether or not based on LetCos negligence, and therefore LetCo shall not be liable for any damages (special, direct, indirect, consequential damages) relating to the use of this information or the use of the product referred herein, solely or in combination with other products. Consequently all liability on the part of LetCo is excluded. Furthermore, our sales and delivery conditions will apply accordingly.
